

Angela Borst

Hello and Welcome!

I have over twenty years of experience within the Fashion Industry and am confident that my skills and expertise can be applied within the Graphic Design industry. I have a passion for creating designs that are visually appealing and develop innovative design solutions. I always prioritize attention to detail and strive for every element of a design to be perfect.

Experience

Macys

Senior Technical Designer 2018 - 2026

Creates tech packs including construction, measurements and trims. Collaborates with vendors in sample making and production. Independent leader and strong team player. Manages fit model bookings and expenses as well as organizes fit time schedule for the team. Processes fit comments in illustrator to highlight pattern corrections.

The Apparel Group

Sportswear and Mens Designer 2010 - 2016

Selected to launch the newly created line for Highline Collective menswear. Worked closely with the creative director in conceptualizing and executing the line by owning design, fabric/ trim development, and technical fit. Created mood boards and presentation materials for the buyers to ensure the line's success.

Owned multiple private label accounts in the woven shirt division. Worked independently in creating and executing the line while maintaining the brand's aesthetic. Developed fabrics and prints with the mill as well as created graphic cads for weaves and prints.

Yansi Fugel

Associate Designer 2005 - 2010

Played an integral role in many aspects of operation, ranging from trend and trim research to tech pack specs and construction details. Partnered with vendors through daily communications and tracked sample shipment and fit status.
